TERM 4

What a Term It's Been!

Another term has flown by, and it has certainly been a productive and memorable few months.

You should now have received your child's progress slip, which outlines their next steps for learning. These targets will help support their continued development as we move into the new term.

This term has been packed with enriching experiences and moments of joy. From celebrating World Book Day—with children arriving in a fantastic array of costumes—to the excitement of our inter-school football matches, pupils have thrown themselves into every opportunity with energy and enthusiasm.

Alongside these special events, our ongoing adventures at Forest School have provided no end of hands-on learning. Whether exploring the changing seasons, building shelters, or working together on outdoor challenges, there is always so much happening, and the children have continued to amaze us with their teamwork, resilience, and creativity.

Throughout the term, both children and staff have worked incredibly hard. Whether tackling new topics, collaborating on class projects, or developing new skills, they have shown curiosity, determination, and a genuine love for learning. We are extremely proud of everything they have accomplished.

As we look ahead to the next term, we're excited for what's to come. With lighter nights and warmer days on the way, there will be even more opportunities for outdoor learning, enrichment activities, and hands-on experiences that bring the curriculum to life. We can't wait to see what the children will achieve next.

Wishing you a restful break and a fantastic start to the new term!

PIXIES

This term we have loved learning about The Great Fire of London in KS1. We had an amazing workshop by Rhubarb Theatre and have loved our history lessons! We have been designing our puppets in DT and have loved creating our diary in English. In Reception we have started to use our BeeBots and we have had some fantastic stories in drawing club. The nice weather has meant we can play and explore outside, and it is making us super excited for the summer! We have worked so hard this term and have all deserved a lovely easter holiday. Happy Easter holidays everyone!

GNOMES

We have had a very busy term in Gnomes class, working hard and enjoying lots of enrichment activities too.

We have all loved getting outside more now the warmer weather is beginning to appear. We have had the chance to take part in some outside learning during our forest school taster sessions; get messy digging in the gardening area as part of our new plants science topic and play football outside on the field during PE.

The children have also really impressed us with their skills during our fencing workshop this term, enjoyed baking some delicious vegetable tarts and had great fun dressing up for world book day.

The class have also been so inspired by their recent english work creating a biography about David Attenborough and have created some 100th birthday cards to post out to him for the upcoming big day.

IMPS

It has been a very fun and busy term, full of exciting activities for both year groups. We were delighted to take part in Forest School again, where we developed our teamwork and outdoor skills. We also participated in two football matches, showing great spirit, determination, and excellent sportsmanship throughout.

During our enrichment sessions, we had the opportunity to try fencing, which was a new and enjoyable experience for many of us. We also celebrated a fantastic World Book Day, where everyone embraced the joy of reading and storytelling.

In PE, we have been developing our skills in hockey and handball, improving our coordination and teamwork. In Design and Technology, we are working hard to complete our creative pop-up books. In English, we have thoroughly enjoyed continuing to read *Harry Potter*. This has inspired much of our writing, as we have explored the characters, settings, and storylines in more detail.

In French, we have been learning about the Olympics and discovering the names of different sports in French, helping to expand our vocabulary and understanding of another culture.

IMPS

FOREST SCHOOL

This term, years 1- 6 have each enjoyed a Forest School taster session. The hammock and slackline have proven a big hit with all year groups, as has the mud kitchen. We've all experienced a tasty, warm treat cooked on the campfire. Some children chose to have a go with the tools and may have whittled a hazel skewer, or crafted elder beads for a bracelet.

Spring has finally arrived and we've been having fun finding insects and worms outside. It's been lovely seeing the children follow their own interests and shine outside of the classroom. The team work they've displayed has been most impressive and the den, which gets more elaborate each week, is testament to this.

Bishop of Lincoln's Easter letters for Key Stage 1

The Acting Bishop of Lincoln

Easter 2026

The Bible tells us the wonderful story of Easter. We hear about Jesus' death on the Cross and being buried in the tomb. After three days he is alive once again!

The Bible also tells us that after Easter, Jesus visits his friends. One of my favourite Easter stories in the Bible is when Jesus visits his friends who are huddled together in an upstairs room. They are worried and scared about the future, but Jesus comes into the room and he says 'Peace be with you.'

These are words that Christians all over the world say to each other. It's important for Christians to be talking about Peace, especially here and now.

In church, we will often say these words to each other during a service. Sometimes we turn to each other and wave. Sometimes we like to shake each other's hands. With our friends and family, we might hug each other too. We say to each other: 'Peace be with you' just like Jesus did.

These words and actions mean something special. They are a prayer for our fellow Christians and the people we love. They are a prayer for peace in the church and in the world. They are a hope that we are 'at peace' with each other. What does the word 'Peace' mean to you?

In the Easter Story, when Jesus says 'Peace be with you' he is saying it to his friends who are afraid. He wants to comfort and help them. We can do the same. Our words and actions can bring peace – comfort and help to those in need.

At the end of a church service, we will sometimes say 'Go in peace to love and serve the Lord.' Peace isn't just something we say, it is something we do! How can you share Peace with someone else today? What words can you say, or what things can you do, that will bring some Peace into someone's life?

There are lots of worrying things happening today, in the world, in the church, and even in our own lives as well. This Easter, I want you to remember those words that Jesus spoke: 'Peace be with you.' Remember that God gives you his gift of peace, and he wants you to share it with others. My prayer is that we can share 'Peace' with our family and friends, and that the world will be a more peaceful place.

Peace be with you, and happy Easter!

Easter 2026

There are so many different parts of the Easter Story. The Bible tells us about Jesus' death on the Cross, being buried in the tomb, and then his rising to new life.

The Bible also tells us many different ways in which Jesus appears to his friends and followers. Peace be with you, and happy Easter!

As trained children and family services professionals we provide early, tailored support for families of children under 5 with special educational needs and disabilities. We offer a safe space to discuss concerns, ask questions and talk about the available support. We work with local early years services to help families navigate the SEND system and connect with the right professionals at the right time. Together, we can ensure your child receives the support they need to thrive.
