

Writing

We will be working on our grammar and punctuation for the first few weeks during the term. We will then utilise our knowledge from the geography unit to write a Non chronological report all about the mountain ranges of the world

Reading

We will continue to read a variety of texts covering all genres. The children will be asked to answer questions based on vocabulary, summarising, inference and prediction.

Maths

In our maths we start working on place value, addition and subtraction. The children will grasp a sound understanding of these concepts in order to propel them forward with the rest of their maths learning.

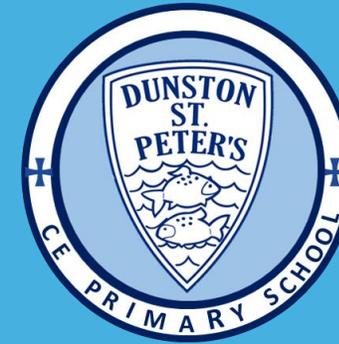

Science

In science, we will be learning more about light and how shadows are formed and change. We will also learn about the sun and the dangers it can cause.

Geography

This term in geography we will be learning all about mountains and how they are formed. We will be exploring where the mountain ranges are in the world, as well as learning all about Edmund Hillary and his epic achievement.

Oak - Year 3/4 Autumn 1 Mountains

Religious Education

Hinduism will be the focus of our learning as we look at what it means to be a Hindu: their rituals and beliefs. We will also enjoy exploring the festival of light (Diwali) and how Hindus celebrate this.

Computing

We will be looking at networks and how we are all connected digitally through our devices and the internet.

Music

We will be exploring a variety of music and learning how we can play together in a band. The children will use musical instruments and technology to create their own composition.

French

In French we will be working on our conversational vocabulary to be able to talk about different colours and numbers.

PE

In PE we will be working with premier education to deliver quality PE lessons this term. We will be focusing on Rugby and OOA. There will be a friendly competitive element to our lessons to help the children develop great sportsperson skills.

Art

We will be looking at portraiture in Art. We will use inspiration from the likes of Frida Kahlo, Rembrandt and Grant Wood to create our own portraits and self-portraits. To do this we will learn the differing styles and techniques each use.

Personal, Social & Health Education

Our focus this term is being me in my world. We will be looking at our hopes for the year as well as learning about our roles, responsibilities and how we can make the world a better place to be in.
