Dear parents/carers,

Can I please extend my thanks to each and every one of you who have been so supportive during this uncertain time. One of our main concerns currently, is to ensure that all of the children who are currently at home have access to educational resources to enable them to access learning. We know that this will be a challenge and want to provide parents/carers with as much help as possible.

With that in mind, the staff team have worked hard to populate a new page on the Spire Federation website, which you can access here:

<http://www.spirefederation.co.uk/Home%20Learning.asp>

On here you will find the following for all year groups:

- General reminders about current home learning
- Bespoke Home Learning Overviews, with learning for all subject areas linked to what the children are already and will be covering in school (which for your convenience are also attached to this PMX)
- A federation project, entitled, 'Our Diverse Planet'. Focusing on our Federation Curriculum foundation, Geography. Enabling pupils to still get a sense of the wider world even when they are at home!
- A link to a vast range of FREE educational websites, including Twinkl, Classroom Secrets, Coolmath, Spelling Shed, Sumdog and hundreds more!

We have also created Homed learning packs for all year groups, which you can access by following these links, or scanning the QR codes in this letter or on the website. Each pack is a comprehensive selection of materials and work for all age groups.

We are trying to be as sustainable and environmentally responsible as possible and are not printing any of these resources out., However, if you require any paper or other stationary to carry out this home learning, please ask the school who will arrange some for you.

But above all else, please encourage your child to READ! Reading is such an important activity and can open the door to so many possibilities. In times of self-isolation it can also open a door to a world of escapism and knowledge!

Once again, many thanks for your continued support,

Your sincerely,

Mrs Negus-Hill
